

Kansas State Performance Plan: Indicator 11: Child Find

The initial evaluation timeline is the percent of children with parental consent to evaluate, who were evaluated, and eligibility for special education services were determined within 60 school days.

Initial evaluation data is submitted by every district every year through the [Kansas Integrated Accountability System \(KIAS\) web application](#) using the KIAS Indicator 11 module. Historical data can be found through past SPP/APR reports that are publicly posted at <https://www.ksde.org/Default.aspx?tabid=520>
