KANSAS SCHOOL BUS EMERGENCY SUPPORT SYSTEM

Photo Courtesy of the School Transportation Unit

2024-2025 School Year

Kansas leads the world in the success of each student.

ON THE COVER

Contestants and Judges from the 2024 KSPTA (Kansas State Pupil Transportation Association) State Safe Driver Competition, which was held in Derby on June 5, 2024.

The KSPTA was formed in 1970 by a forward-looking group of dedicated school transportation professionals. It was formed to enhance and ensure the safety of students transported via school bus in Kansas. To this end, the organization is still dedicated. The primary function of KSPTA is the support of education in Kansas through the provision of safe and effective pupil transportation services. KSPTA is active in many facets of transportation including Safe Driver Competitions, School Bus Safety Week, Kansas School Transportation Appreciation Day, School Bus Poster Safety Contest, Annual School Transportation Safety Conference, Train-the-School Bus Trainer program, and many other projects.

You can easily contact the Kansas Highway patrol Communications Center while traveling. These phone numbers can be dialed on your cell phone to report a vehicle breakdown, emergency, accident, erratic driver or criminal activity:

***47 Kansas Highway Patrol OR *582 Kansas Turnpike Authority**

Getting the most up-to-date travel information in Kansas is as easy as calling **5-1-1**. By calling "511" on any phone (wireline and wireless) from anywhere in Kansas you can learn about road conditions, construction detours and travel

weather information for the Kansas Turnpike and any Interstate, U.S., or state highway in Kansas.

KanDrive, www.kandrive.org, is the Kansas Department of Transportation's official traffic and traveler information website. It provides up-to-date traffic information for Interstates, US and State Highways in Kansas. You can also download the free KanDrive app from your app store.

The Kansas State Department of Education in cooperation with the Kansas Highway Patrol has established a school safety hotline. This hotline is a toll-free number available 24 hours per day, 365 days per year to give students, parents, and

community members the opportunity to report any impending school violence. As you are aware, students usually have knowledge of potential school violence before it occurs. This hotline would give students the opportunity to anonymously report any potential violence.

To Report Threats of School Violence 1-877-626-8203

1-800-CHILDREN

1-800-CHILDREN provides 24/7 support without judgment. No question is too big or too small when it comes to parenting. Find helpful resources and supports near you through this site or connect with a real person by calling 1-800-CHILDREN. We offer free and confidential support in English and Spanish as well as multiple other languages.

National Suicide Prevention Lifeline 988

988 is designated as the three-digit dialing code that will route callers to the National Suicide Prevention Lifeline. The Lifeline provides 24/7, free and confidential support for people in distress, prevention and crisis resources for you or your loved ones, and best practices for professionals.

Suspicious Activity Report

Report suspicious activity on-line. Reports submitted online are not monitored 24 hours a day. To report an emergency, or a crime in progress, Dial 911. To speak to someone directly about a crime or threat call 1-800-KS-CRIME, or your local law enforcement. When reporting suspicious activity, or providing information about a crime, it is important to give accurate and detailed information about what occurred and where, and descriptions of the individuals or vehicles involved.
