

Follow the Kansas Legislative Session online

Bookmark this link to follow legislative activities online: <http://www.kslegislature.org/li/>.

Information provided on the **Kansas Legislature** website:

- contact information for legislators
- track the status and view the content/text of a bill
- read supplementary reports and publications
- find out what is happening in the chambers or committees
- appointments to education committees
- follow education committees – agendas, minutes, testimony and action
- listen to live audio broadcasts of House and Senate chamber debates

To narrow your search to review education bills, from the row of blue tabs (see below), select **COMMITTEES**.

Under the heading Standing Committees, KSDE closely follows the action in three committees:

- [Education \(Senate\)](#)
- [Education \(House\)](#)
- [K-12 Education Budget \(House\)](#)

Click on the Committee's name (shown above) and a new screen provides:

- List of committee members appointed and link to audio-stream meetings live
- List of bills being worked by the committee
- Committee agendas, testimony, and action taken (minutes are not posted timely)

Select **CALENDARS** to read about business to be considered in the chambers and a weekly agenda of committee meetings. Select **JOURNALS** to read the historical record of activity in the chambers.

During the legislative session, on the School Finance [Legislation](#) page, Bills being followed opens a document tracking education-related bills. This is updated weekly on Friday.

The **Education Law Index** is posted on the School Finance homepage under the [Legislation](#) link. It alphabetically lists keywords which affect schools and education and provides a statute number (i.e. 72-3353).

Search for text of existing Kansas law on the Revisor of Statutes website: <https://ksrevisor.org/>

Another resource for K-12 Education Publications and consensus estimates provided to the Kansas Legislature is the **Kansas Legislative Research Department** website: <http://www.kslegresearch.org/KLRD-web/Education.html>
