Starting in the 2019-2020 school year, [K.S.A. 72-5143](#) requires the school board of any USD that desires to increase its local option budget authority for the immediate succeeding school year to submit written notice of such intent to the Kansas State Board of Education by April 1 of the current school year. Such notice shall include the Local Option Budget authority, expressed as a percentage, of the USD's Total Foundation Aid. The local board of education may not adopt a Local Option Budget in excess of the authority stated in the notice submitted pursuant to this subsection.

The Local Option Budget Percentage form will be considered your written notice of such intent for the upcoming school year. All USDs are required to submit the Local Option Budget Percentage form.

Local Option Budget Percentage

KSA 72-5143 requires the board of any USD that may desire to increase the Local Option Budget (LOB) percent for the 2025-2026 school year to submit written notice to the state board (this form is considered the written notice) by April 1, 2025.

Notes:

- Local school boards may adopt a LOB percent at the statewide average without publishing a resolution subject to protest petition. The statewide average is determined in June 2025 for the 2025-2026 school year.
- The local school board is **NOT OBLIGATED to adopt the LOB percent submitted on this form**. The form only sets the ceiling for next year's LOB percent.
- The **final LOB percent will be adopted with the Budget next Fall** and may be lower, but **cannot be higher, than the percent submitted on this form**.

Please answer and submit the following question by March 20, 2025

What is the estimated maximum LOB percentage your board may want to adopt for the 2025-2026 school year? %

Guidance

The USD's school board may adopt a LOB percent for 2025-2026 up to the 2024-2025 statewide average, and that also does not exceed the percent submitted on this LOB Percentage form in March 2025, without publishing a resolution subject to protest petition. The statewide average for 2024-2025 is determined in June 2025.

The USD's school board is NOT obligated to adopt a final 2025-2026 LOB percent (in Fall 2025) using the percent submitted on this LOB Percent Form in March 2025. The percent submitted in March 2025 only sets the ceiling for the 2025-2026 LOB percent.

The USD's school board may always adopt a final 2025-2026 LOB percent (in Fall 2025) that is lower, but not higher, than the percent submitted on this LOB Percentage Form in March 2025.

Tip: If USDs school board is **considering** an increase to the LOB percent, they should submit the maximum percent being considered on this LOB Percent Form submitted in March 2025.

If the USD's school board desires to adopt a LOB percent above the statewide average, the board may adopt, by resolution, an amount not to exceed the state prescribed percentage of 33%. For USDs wishing to increase the LOB authority above the statewide average, the LOB Resolution Procedures can be found in both, [PDF](#) and [Word](#) files, under the **Resolutions** heading (4th section) within the [Budget Packet](#).
