Template Instructions

Please enter in all grey boxes.

By statute, only the BOE State Assessments Review needs to be completed, but it is suggested have each building complete its own State Assessments Review that the BOE then uses to complete their BOE State Assessments Review. All questions on the BOE State Assessments Review MUST be addressed and used in order to be statutorily compliant.

Templates for BOE State Assessments Review and Building Needs Assessment may be found on [KSDE's School Finance Guidelines & Manuals page](#) in the Guidelines section.

Please reference the [Needs Assessment and State Assessment Review Guidelines](#) for more information.
