The District's Accomplishments and Challenges

Accomplishments:

In spite of challenges and difficulties, we were able to offer on-site education throughout the 2021-22 school year because of the cooperation among students, staff, and parents. Our school district thrives because of the staff who are dedicated to helping students grow academically, social-emotionally, physically, culturally and ethically.

We have continued to meet our Kansas Education Systems Accreditation (KESA) goals of communication through quarterly newsletters and teachers completing Kansas College and Career Readiness Standards (KCCRS) checklists within core classes. The District completed the 5-year KESA accreditation cycle in the spring of 2022.

Nearly 100% of our parents at all grade levels attended parent-teacher conferences during the fall and spring semesters. Our District has established and maintains a strong educational partnership with Seward County Community College as students have the opportunity to enroll in concurrent classes. The Board of Education extended retention bonuses to all licensed and classified staff.

Challenges:

Declining enrollment, the rising cost of property and medical insurance, and the hiring of qualified staff are challenges the District faces.
