This publication has been prepared by the Kansas State Department of Education's School Finance team in order to provide Kindergarten enrollment totals by format for classes in each of the 286 unified school districts in the state of Kansas. Data used to prepare this report was collected in October on the current year's Principals Building Report.

This report may also be found on [KSDE's Data Central](#). You can also visit [KSDE's School Finance page](#) for more information on School Funding. For more publications, please visit [KSDE's Data Central](#).
