

26-27 School Improvement Day Agenda

Details

Dates: September 2026 - April 2027

Time: 9:00 - 3:00

Who: System DLT's

Location: ESC's or alternative locales

Objectives	1. Systems will share their progress in implementing their current KESA Action Plan. 2. Systems will reflect and collaborate on implementation related to the KESA Implementation Standards. 3. Systems will identify their Current State in Fundamentals and Structures. 4. Systems will create a rough draft of their Next Action Plan. Hard copies: <i>School Improvement Model, Current State in Structures and in Fundamentals</i> All School Improvement Day Resources can be found on the KESA Resources webpage.
9:00	Welcome - Introductions - Objectives for the Day - Connection activity (F1, F2)
9:15	System Share-outs (using KESA Implementation Resource) - 10 minutes/system (F1, F2) • During the Share-outs, each DLT member in the audience will identify Notices and Wonders. • Collaborative discussions after each share-out - each system will share out at least one Notice and one Wonder (allow systems sharing out to respond to Wonders)

10:00	Break
10:05	Continue Share-outs
11:00	Break
11:05	Reflect on Implementation (F1, F2) • Debrief on Parking Lot as a DLT • Move into like position groups to go deeper into implementation - best practices & challenges (based on Share-outs) • Whole-group share-out from each group on common best practices & challenges discussed
12:00	Lunch
12:30	Resources & Reminders (A & D) • School Improvement Model • Implementation science research ◦ Walk through KSDE/REL Implementation Guidance • Reminders: ◦ any KESA app changes ◦ Action Plan Review timeline, including submission deadline ◦ KSDE Reorganization summary ◦ reminder of KSDE Annual Conference
1:00	Next Action Plan Development (A & D) • Current State - Fundamentals • Current State - Structures • Systems can stay to further develop their Next Action Plan or, if they have already created a rough draft of their Next Action Plan, they may <i>check-out (see below)</i> with the A & D member, individually complete an exit ticket, and leave for the day.

	• If system DLT's stay, they will have until 3:00 when they will need to <i>check-out</i> and individually complete their exit ticket. <i>Check-out:</i> 1. System walks through rough draft with A & D team member (listen first - clarity, alignment, data-driven) 2. A & D team member sets up 6-month Check-in
3:00	Safe Travels Home
