

Current State of Fundamentals Activity

Individual Version

- As an individual DLT member, rate each of the 4 Fundamentals listed below by plotting a point on the radar graph on a scale of 1 – 10 (1 – very low or poor, 10 – very high or excellent). Before making your rating, reference the language under each Fundamental on the [School Improvement Model](#).

Current State of Fundamentals Activity

DLT Version

- Now that you have rated the current state in each of the 4 Fundamentals as an individual, discuss as a collective DLT and reach consensus on each of the 4 Fundamentals listed below by plotting a point on the radar graph on a scale of 1 – 10 (1 – very low or poor, 10 – very high or excellent). *Avoid simply using math to reach consensus.* Discuss the discrepancies in ratings (if applicable) and the rationale for the different ratings before landing on a common rating that best represents the current state.
