

FACT SHEET

Approved High School Certifications List for School Years 2017-2024

The keys to a successful and prosperous life after high school are initiated while still in high school. Earning an industry-recognized certification that has been linked to a well-paying, in-demand occupation while a student is still in high school is an important accomplishment. The following list of certifications are approved and included in the Post-secondary Success and Effectiveness. List is subject to change without notice. Calculations of postsecondary success are retrospective.
