KANSAS STATE DEPARTMENT OF EDUCATION

FACT SHEET

Kansas State Performance Plan: Indicator 1: Graduation

What does Indicator 1 measure?

Indicator 1 measures the percent of youth with an individualized education program (IEP) graduating from high school with a regular diploma.

What is the data source?

All Local Education Agencies (LEAs) in the state report data to the Kansas State Department of Education (KSDE). Graduation data comes from LEA exit records entered into the KSDE Kansas Individual Data on Students (KIDS) system.

Reported graduation data are lagged one year. For example, for FFY 2025 reporting, SY24-25 graduation data will be reported to the U.S. Department of Education.

What are targets?

The following table reflects the targets and data for the current five-year APR reporting cycle.

FFY	2019	2020	2021	2022	2023	2024
Target >=	85.75%	84.54%	81.00%	81.90%	82.80%	83.70%
Data	78.41%	84.54%	81.92%	83.71%	83.17%	84.32%

How may someone access Indicator 1 data reported to the U.S. Department of Education?

The data for all Kansas State Performance Plan indicators, including data for Indicator 1, are published on the Kansas State Performance Plan Annual Performance Report page (https://www.ksde.gov/data-and-reporting/state-performance-plan-and-annual-performance-report/spp-apr-annual-reports).
