CHECKLIST - Review before mailing a signed paper copy of the budget to KSDE

- ☐ **Print and submit only the budget pages in which the fund is being used.** For example, if you don't have expenditure on Driver Training, do not print and include that fund with the budget.
- ☐ **On Code No. 01 Certificate page, top right-hand corner,** write the name and phone number of a contact person in your district who can answer budget questions.
- ☐ **On the Notice of Hearing (Code 99) published in the newspaper,** if the date published appears above the table, you can submit the newspaper clipping and the affidavit of publication is not needed. **Important:** If you photocopy the newspaper clipping, **all** columns and dollar figures published in the paper must be readable.
- ☐ **Place budget pages in the following order to mail:**
 - Code 01-Code 99 (print only funds being used)
 - Proof of publication for Notice of Hearing Code 99, Revenue Neutral form
 - USD Information (Open page)
 - Certify page (signed by Superintendent)
 - Forms (110, 150, etc.) in numerical order
 - Average Salaries page
 - Unencumbered Cash Balance on July 1

- ☐ **Has the budget been signed in 3 places?**
On the paper copy submitted, the Certificate page (Code 01) and Code 99 and RNR must have signatures of the board clerk and board president, and, if applicable, “assisted by” (CPA).
- ☐ **Has the superintendent signed the Certify page?** (Print from Codes.xlsx and include with paper copy budget)
- ☐ **Be sure code numbers are at the bottom of every page.** Sometimes the printer formatting will cause them to roll over to the top of the following page.
- ☐ **The paper copy submitted to KSDE should be printed on one side of the paper.**
- ☐ **Please do not STAPLE or BIND the budget**
- ☐ **Do not include the cover page (Cover Page Index and Coding) and budget summaries (Profile Information and Budget at a Glance) with the paper copy of the budget mailed to KSDE.**

BUDGET SUPPLEMENTAL DOCUMENTS

- Include these documents with the budget printed for your board and patrons of your district.

Please mail the paper copy of the budget to:

KSDE – School Finance
Landon State Office Building
900 SW Jackson Street, Ste. 356
Topeka KS 66612-1212

Cover Page (Table of Contents, Coding Information)

A cover page is provided to use on paper copies of the budget distributed to your board and district patrons. This file is named **Cover Page Index and Coding**. A table of contents (index) will list all the funds. The section called Coding Information defines how expenditures are coded. This file does not need to be submitted to KSDE but should be printed and included with the budget available for public review.

Budget Summaries (Budget at a Glance, Profile Information)

Budget data will be merged automatically into two budget summaries with charts and graphs in separate worksheets called **Sumexpen** and **Budget_Glance**.

Please open **Profile Information.docx** to enter accomplishments and challenges in your district, then attach Sumexpen document to complete the merge. Instructions are in the Excel budget manual. These two documents will be posted later on the KSDE Data Central website, so make sure this information is entered.

Note: Do not send **Budget_Glance** or **Sumexpen** to KSDE - these documents will be created by our office. You will, however, want to print both documents to provide to the public and your board members as supplemental budget information.

Every district's Budget document, Profile Information and Budget at a Glance will be posted on the KSDE website: **Data Central** - Link: <https://datacentral.ksde.gov/>
